

# **TASK 1 - REQUIREMENT GATHERING AND PLANNING WEB DEVELOPMENT INTERNSHIP - RD INFRO TECHNOLOGY**

## **GUSTO GLOBE - A FUSION CUISINE RESTAURANT WEBSITE**

SUBMITTED BY : AMIRTHAA VARSHINI S

DATE : JULY 21, 2025

### **PROJECT OVERVIEW**

Gusto Globe is a multi-fusion restaurant that brings together diverse cultures through the art of food. With flavor combinations of different cuisines around the world, every dish tells a unique story of innovation, creativity, and harmony.

The goal of this website is to introduce visitors to our story — from the origin of Gusto Globe to the passionate master chefs behind our signature creations. Visitors can explore our one-of-a-kind fusion menu, plan their visit, and discover the heart and soul behind every dish we serve.

More than just a place to eat, Gusto Globe offers a cultural experience. The warm ambiance and thoughtfully designed interiors immerse guests in a space where they don't just dine — they create memories, feel a sense of belonging, and celebrate the richness of the world on a single plate.

### **TARGET AUDIENCE**

- Individuals passionate about exploring unique flavors and trying out new fusion dishes.
- Professionals seeking an elegant and culturally rich venue for hosting gatherings or private events.
- Creators looking for photogenic dishes
- Customers who prefer seamless reservation systems to plan their visits in advance and avoid wait times at the restaurant.

## CLIENT GOALS

- Establish a distinct online presence that reflects Gusto Globe’s unique culinary philosophy and ambience.
- Educate and excite visitors about the fusion of global flavors, highlighting innovative combinations and bold new tastes.
- Provide an easy-to-use online booking system to ensure a seamless and hassle-free reservation experience for customers.
- Narrate the journey of Gusto Globe — from the initial concept to the creation of its signature dishes and brand ethos.
- Encourage feedback through a post-visit review section, helping the restaurant evolve with constructive insights while building customer loyalty.

## FUNCTIONAL REQUIREMENTS

PAGE	DESCRIPTION
Home Page	<ul style="list-style-type: none"><li>● Navigation bar at the top for other attributes of the restaurant (about us, events, dining experience, our chefs, “reserve now” button)</li><li>● Hero Section introducing the restaurant</li><li>● “Why Gusto Globe?” section explaining our uniqueness</li><li>● Showcase our significant dishes</li><li>● Guest reviews and testimonials and enable a feedback button</li><li>● Footer with contact details, available, and social media links</li></ul>

### Navigation Bar - Functional Requirements
